WHO ORGANISED YOUR DAY?

I, the undersigned understand that I have agreed to play the game entirely at my own risk. I recognise that there are hazards on the site: fallen trees, dead branches, sharp objects, holes etc... I understand that laser games can be a strenuous activity, physical exertion may be required. I understand that the possibility of injury to me and others exists. The games can be dangerous if the safety measures and staff are ignored. I will always follow the staff's instructions. I understand that no physical contact is allowed and equipment that is deliberately damaged is charged for. I understand that if I become a danger to myself or others, I will be asked to leave and I will stay within the area designated for the laser games.
